

# Dániel Kántor

developer

Email: [cv@daniel-kantor.com](mailto:cv@daniel-kantor.com)

Location: Barcelona

Date of Birth: May 1993

## Skills

React Svelte NodeJS Electron Python PostgreSQL Linux ETL  
HTML5 CSS JavaScript flow GraphQL Next.js Webpack  
Django Web Scraping d3 PostgreSQL Arch Linux Docker Git  
PrinceXML Vim

## References

I have some pet projects where you can see my work:

[LibreLingo](https://librelingo.app/) (<https://librelingo.app/>) - an experiment to create a community driven **language-learning platform**

[just-dashboard](https://kantord.github.io/just-dashboard/) (<https://kantord.github.io/just-dashboard/>) - create **dashboards** in minutes using YAML or JSON files

[emuto](https://kantord.github.io/emuto/) (<https://kantord.github.io/emuto/>) - an experimental **programming language** for transforming JSON files

## Employment history

## Language background
